Salutations!

Oops what happened to the weather! Let's hope summer hasn't finished quite yet. Bob says I must not mention Roger's battery...so I won't. Also Chris only drank 2 cans at the Ram Roast, Mary! (Chris, you can give me the fiver later).

Can I remind you that Cathy is appealing for knitted, crocheted, felt or fabric poppies to adorn the church throughout November. Please bring them to Pennington or call Cathy on 01579 320135.

Also we have a Book Swap at the Church and a box for Food bank donations.

**At the Coffee Morning on 6th August, we will be discussing the Church Fete so if you have any good ideas do come along and share them.**

Anyone who has items to share with the community, please let me know.

Lynne

What's been happening?

There was another DIY coffee morning on 2nd July on the green (£14 was raised in the raffle). Tea, coffee and cakes were enjoyed by everyone.

The Great & Prestigious Herodsfoot Ram Roast and Duck Race took place on Saturday 28th July! After weeks of glorious weather, there was rain but at least this filled the river a little to help the ducks on their way. It had been suggested that we have a duck roast and a ram race due to the lack of water but all was well (I did train a few rams just in case though!). The food was excellent and thanks to all involved with the preparation and serving (Ian, Pete, Cathy, Fay, Veronica). Thanks to John for the bar. A total of £964 was raised.

The race began a little late (some ducks refused to line up for the starter) but soon they were off and the tension was building on the bridge and we were all in a flap as we awaited the arrival of our thoroughbred racing ducks. It took a while...but, suddenly the lead duck burst into view and careered under the bridge on his side to take victory (showboating, I say!) followed by the second, third and fourth which were several duck lengths behind. No photo finish needed. Results were announced as follows, after drug testing had taken place (accompanied by a drum roll from the children):

1st place (£50) Steve Saunders      2nd place (£20) Ben Norwood      3rd place (£10) Nanny Vera  
4th place (£5) Jackie Taylor      Last duck Me! ( I won £1 but don't worry, I won't let it change my life)

We're all quackers here!

And now...

The Lion Tamer

A circus owner advertised "Lion Tamer wanted" and two people applied for the post. One was a pensioner in his early seventies and the other was a beautiful brunette in her mid twenties with a gorgeous figure.

The circus owner said, "I'm not going to sugar-coat it; this is one ferocious lion. He ate my last tamer so you two had better be good! Here's your equipment, a chair, a whip and a gun. Who wants to try first?"

The brunette said, "I'll go first".

She walked past the chair, whip and gun and straight into the lion's cage. The lion began to snarl and pant and started to charge at her. The brunette opened her coat to reveal that she was completely naked underneath. The lion stopped dead in his tracks, sheepishly crawled up to her and began to lick her feet and then continued to lick her entire body after which, he lay down contentedly and rested his head on her feet.

The circus owner's jaw was on the floor. "That's amazing! I have never seen anything like that in my life!"

He then turned to the pensioner and asked, "Can you top that?"

The pensioner replied, "Possibly...but you've got to get that lion out of there first..."
